CHRISTIAN SCIENCE CHURCHES

"God the Only Cause and Creator" is the subject of the Lesson-Sermon on Sunday in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass. Among the Bible citations in the Lesson-Sermon are the verses from The Acts: "And a certain man came from his mother's womb was carried, whom they laid daily at the gate of the temple which is called Beautiful, to ask alms of the gate that entered into the temple; who seeing Peter and John about to go into the temple asked an alms. Then Peter said, Silver and gold have I none; but such as I have give I thee: In the name of Jesus Christ of Nazareth rise up and walk. And he took him by the right hand, and lifted him up; and immediately his feet and ankle bones received strength." One of the correlative passages from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, includes the statements: "Christian Science brings to the body the sunlight of Truth, which invigorates and purifies. Christian Science acts as an alternative, neutralizing error with Truth. It changes the secretions, expels humors, dissolves tumors, relaxes rigid muscles, restores carious bones to soundness."

Cast in the play are Ibra Schmidt, as Mel Ling, blind daughter of the family; Donald Cook and Virgil King as Yang-ti and Ya-koh, 6 and 8-year-old sons; Guy Rowell, as Yo-Han, student in college of agriculture at Nanking; Ruth Granger, as the mother, and Lewis Irvine, as the father of the family; Harold Irvine as the grandfather; Bobbie Elder, village letter writer; Dorothy Elder, as Mrs. Matland, wife of the missionary; and others.
